Dear Mayor and City Council:

Material proposals for your General Street Maintenance were received and read at City Hall at 10:30 A.M. on Thursday March 11, 2021. All proposals were reviewed for accuracy and completeness and a copy of all Schedule of Prices from submitting material vendors is attached.

It is the recommendation of our office that you accept all the unit price proposals from all of the vendors. Instead of requiring the Street Department to utilize one vendor for each item, the Department will have maximum flexibility to make use of all vendors, as conditions and situations dictate.

Please feel free to call if you have any questions.
