In such circumstance, the annual rent shall be re-determined based upon the remaining tillable acreage as determined by FSA as set out above.

Section 5: Default, Yielding Possession, Right of Entry.

A. Termination Upon Default. If either party fails to carry out substantially the terms of this lease in due and proper time, the lease may be terminated by the other party by serving a written notice citing the instance(s) of default and specifying a termination date of ten (10) days from the

date of such notice. Settlement shall then be made in accordance with the provisions of Clause C of this Section.

B. Yielding Possession. Tenant agrees that at the expiration or termination of this lease, it will yield possession of the premises to Landlord without further demand or notice. If Tenant fails to yield possession, he shall pay to Landlord liquidated damages of \$75.00 per day, or if liquidated damages are not specified, the statutory double rent shall apply for each day they remain in possession thereafter, in addition to any actual damages caused by Tenant to Landlord's land or improvements, and said payments shall not entitle said Tenant to any interest of any kind or character in or on the premises.

C. Landlord's Lien for Rent and Performance. The Landlord's lien provided by law on crops grown or growing shall be the security for the rent herein specified and for the faithful performance of the terms of the lease. Tenant shall, if requested in writing by Landlord, provide Landlord with the names of persons or entities to whom Tenant intends to sell crops grown on these demised premises at least thirty (30) days prior to the sale of such crops. A lesser period may be allowed by mutual written agreement. If Tenant shall fail to pay the rent due or shall fail to keep any of the agreements of this lease, all costs and attorney fees of Landlord in enforcing collection or performance shall be added to and become a part of the obligations payable by Tenant hereunder.

D. Landlord's Right of Entry During Term of Lease. In the event Tenant is in default on her rent payment, or otherwise in breach of this lease, Landlord may enter said premises for the purpose of harvesting the crops without necessity of proceeding with a suit for distress of rent. Said crop shall be retained by Landlord for payment of the rent due and shall also be applied toward Landlord's cost of harvesting. The balance, if any, shall be delivered to Tenant.

E. Mineral Rights. Nothing in this lease shall confer upon Tenant any right to minerals underlying said land, but the same are hereby reserved by Landlord together with the full right to enter upon the premises and to bore, search, and excavate for same, to work and remove same, and to deposit excavated rubbish, and with full liberty to pass over said premises with vehicles and lay down and work on any railroad track or tracks, tanks, pipelines, power lines, and structures as may be necessary or convenient for the above purpose. Landlord agrees to reimburse Tenant for any actual damage she may suffer for crops destroyed by these activities and to release Tenant from obligation to continue farming this property when development of mineral resources interferes materially with Tenant's farming operations.

F. Extent of Agreement. The terms of this lease shall be binding on the heirs, executors, administrators and assigns of both Landlord and Tenant in like manner as upon the original parties. Any notice required by this Lease or by law to be given to Landlord shall be given to: City of Rock Falls, Illinois, c/o Rock Falls City Clerk, 603 West Tenth Street, Rock Falls, Illinois 61071. FOR THE ESTABLISHMENT OF A HOMESTEAD PROGRAM**

WHEREAS, Section 11-11-1.1 of the Illinois Municipal Code (65 ILCS 5/1-1.1 et. seq.) authorizes the corporate authorities of each municipality to establish and operate a homestead program designed to rehabilitate or construct dwellings in presently blighted areas; and

WHEREAS, pursuant to Section 11-11-1.1, the corporate authorities are further empowered to designate a homestead area, to enter into agreements with the federal government to received repossessed homes, to establish guidelines for determining qualified recipients, to dispose of property by lottery or conveyance for nominal or no consideration, and to appoint a homestead board or designate a not-for-profit corporation as its agent to administer the program and establish standards of rehabilitation and construction; and

WHEREAS, there are blighted areas located within the residential districts of the City of Rock Falls (the “City”) within the meaning of Section 11-11-1.1 containing a significant number of vacant properties and dwellings in need of rehabilitation, and such condition is anticipated to persist without intervention from the City; and

WHEREAS, the Mayor and City Council (collectively, the “Corporate Authorities”) believe that the presence of vacant properties and dwellings in need of rehabilitation is a contributing factor of blight and that the development or rehabilitation of the same will assist with the elimination of blighted areas within the City; and

WHEREAS, the Corporate Authorities, after discussion and review of the same, believe that the establishment and implementation of the homestead program provided for herein will reduce the presence of vacant properties and dwellings in need of rehabilitation, therefore facilitating the elimination of blighted areas in the City, and otherwise serving the best interest interests of the City and the health, safety and welfare of its residents.

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and City Council of the City of Rock Falls, Whiteside County, Illinois as follows:
