Section 5: Default, Yielding Possession, Right of Entry.

A. Termination Upon Default. If either party fails to carry out substantially the terms of this lease in due and proper time, the lease may be terminated by the other party by serving a written notice citing the instance(s) of default and specifying a termination date of ten (10) days from the

date of such notice. Settlement shall then be made in accordance with the provisions of Clause C of this Section.

B. Yielding Possession. Tenant agrees that at the expiration or termination of this lease, it will yield possession of the premises to Landlord without further demand or notice. If Tenant fails to yield possession, he shall pay to Landlord liquidated damages of \$75.00 per day, or if liquidated damages are not specified, the statutory double rent shall apply for each day they remain in possession thereafter, in addition to any actual damages caused by Tenant to Landlord's land or improvements, and said payments shall not entitle said Tenant to any interest of any kind or character in or on the premises.

C. Landlord's Lien for Rent and Performance. The Landlord's lien provided by law on crops grown or growing shall be the security for the rent herein specified and for the faithful performance of the terms of the lease. Tenant shall, if requested in writing by Landlord, provide Landlord with the names of persons or entities to whom Tenant intends to sell crops grown on these demised premises at least thirty (30) days prior to the sale of such crops. A lesser period may be allowed by mutual written agreement. If Tenant shall fail to pay the rent due or shall fail to keep any of the agreements of this lease, all costs and attorney fees of Landlord in enforcing collection or performance shall be added to and become a part of the obligations payable by Tenant hereunder.

D. Landlord's Right of Entry During Term of Lease. In the event Tenant is in default on her rent payment, or otherwise in breach of this lease, Landlord may enter said premises for the purpose of harvesting the crops without necessity of proceeding with a suit for distress of rent. Said crop shall be retained by Landlord for payment of the rent due and shall also be applied toward Landlord's cost of harvesting. The balance, if any, shall be delivered to Tenant.

E. Mineral Rights. Nothing in this lease shall confer upon Tenant any right to minerals underlying said land, but the same are hereby reserved by Landlord together with the full right to enter upon the premises and to bore, search, and excavate for same, to work and remove same, and to deposit excavated rubbish, and with full liberty to pass over said premises with vehicles and lay down and work on any railroad track or tracks, tanks, pipelines, power lines, and structures as may be necessary or convenient for the above purpose. Landlord agrees to reimburse Tenant for any actual damage she may suffer for crops destroyed by these activities and to release Tenant from obligation to continue farming this property when development of mineral resources interferes materially with Tenant's farming operations.

F. Extent of Agreement. The terms of this lease shall be binding on the heirs, executors, administrators and assigns of both Landlord and Tenant in like manner as upon the original parties.
