DRONE SURVEILLANCE NOTICE

Fiesta Parade route, 1st Avenue (IL40) from 10th Street to the Rock River

Drone technology may be used at this event in accordance with (725 ILCS 167/1) Freedom from Drone Surveillance Act.

This law permits the use of drones by law enforcement agencies at a special event, parade, or routed event to prepare for or observe crowd size, density, and movement; assess public safety staffing; or oversee the general safety of participants. In accordance with this law, the Rock Falls Police Department will be operating drone technology on the following date:

Saturday, September 16, 2023: Prior to and during the Fiesta Parade, approximately 12:30pm – 2:30pm

Drone deployment allows for real-time monitoring (not recording) of public safety during this event. The Rock Falls Police Department requests attendees report any suspicious person(s) or activities by calling 9-1-1.
