Moring Disposal Collection Guidelines

**RECYCLING PREPARATION GUIDELINES**

- Recycling totes with *tan lids* may be set out every other week (see the map on the back of this page) no later than 6:00 a.m. on your pick up day and should contain recycled items ONLY.
- Recyclable items can be loose and co-mingled together in the recycling tote but residents are encouraged to place smaller recyclables (shredded paper, etc.) in paper bags inside the tote to minimize the risk of blowing material.
- In the event that you have additional recyclable items, you may place items in a separate paper bag, cardboard box or container clearly marked for recycling beside the tote.
- **Please do not dispose of plastic bags in your recycling tote or use them to contain excess recyclable items as these contaminate the recycled material.** Styrofoam and blister packaging are also unacceptable materials.
- Recycled items in your tote must be empty and free of food, drink, or any residue.
