The Rock Falls Chamber staff and board are excited to bring Hometown Holidays back to Rock Falls in 2022.

Our goal is to bring great events that unite our community, support our local businesses, and create joy.

We are asking for sponsorship donation of \$1,000, instead of the \$1,500 received in previous years for Hometown Holidays.

- Hometown Holidays is one of the largest events in our community, generating a significant number of overnight hotel stays, homecoming visits for local families, and draws crowds from neighboring communities.
- These funds help the event continue to provide free activities.
- All costs of entertainment and activities have significantly increased, so these funds are even more needed!
 - o (Ie: cost of wagon rides for the Christmas Walk is \$1,500)

Your advertising benefits

- As a thank you for your generous funding, we will provide a comparable sponsorship benefits package:
 - o Logo on posters
 - o Banner opportunities at the event
 - o Logo on the website
 - o Logo on additional printed advertising
 - o Special mention in sponsorship posts on facebook
 - o Free booth space at Christmas Walk

Additionally, this event is being held in the RB&W Park, at the request of Rock Falls Tourism and the City of Rock Falls. It is a free event directly benefiting the city, its residents, and our tourism oriented friends.

- **For these reasons, we are asking that all fees associated with RB&W Park usage be waived.**

RB&W Park Requests

- Road Closure of East 2nd Street from Ave A – Wood Ave to move vendors off grass in case of rain.
- Local businesses as vendors to be able to advertise and sell items in the park.
- Driving access for vendors spaces, food truck and trailer parking on concrete.
- Golf cart access to the event throughout the uptown.
- Road closure for wagon rides – same as last year (see map).
- Santa's Sleigh trailer display in the park – same as last year (see map).
- Petting zoo and pony ride trailers – same as previous years (see map).
- Balloons to be handed out to children and Christmas character displays.
- Approval of local performers, like the high school choir, and other musicians performing Christmas music.
- Using volunteers and staff for event security.

Thank you for your past support of this special event and your consideration in 2022. We are grateful for our partnership with the City of Rock Falls and Rock Falls Tourism. We are especially grateful to be able to bring this event to our community in 2022.

***Subject: Recommendation Letter – City of Rock Falls
Relay and Substation Equipment Maintenance Testing Plan***

Dear Mr. Simon:

I am sending you this letter to provide a recommendation for the recent quote for the City of Rock Falls Relay and Substation Equipment Maintenance Testing Plan.

I recommend you award the work for Substation Equipment and Relay Maintenance testing to Quad Plus in the amount of \$142,302.00. This is the lowest overall acceptable bid that was received.

In addition to the relay and equipment maintenance testing, I recommend you accept Quad Plus cost for oil filtering/processing and inspection of the load tap changers in the amount of \$34,888.00. This recommendation includes filtering the LTC oil. If filtering does not obtain the desired results, the oil can be changed at a later date. Load tap changers on the Rock Falls transformers accumulate gas over time and it is reasonable to process the oil to remove those impurities.

Please let me know if you have questions or comments.

Sincerely,

Jamie Sieren
