Ordinance/Topic	Discussion	Plan of Action
Call to Order	Meeting was called to Order at 8:15 a.m. by Chairman Kleckler	
Audience Requests	None	
Approve Minutes	Committee reviewed minutes from September 4, 2020 Public Works/Public Property Committee meeting. Alderman Bill Wangelin moved to approve minutes as presented, second by Chairman Kleckler, motion carried.	Minutes Approved
Engineers Report	- Corey Buck updated the committee on: - The Clearwater Drive Culvert is waiting on Fischer Excavating to complete. - Dixon Avenue - No updates, is on schedule.	
New Business	- Entrance to City Planning-Administrator Blackert spoke of removing everything from the parking lot at the City entrance on 1st Avenue and presented the idea of a chain link fence with removable screening with pictures/ads to place along the ally in front of the dumpsters. The committee agreed and Robbin will go forward with getting quotes on both 6-foot and 8-foot fencing. - State Salt Bid-Cargill came in at \$46.49/ton which is below budget. 5 Year Capital Plan Review-Will be reviewed every month to move projects around when needed. - Request for Extension of current terms as is called for in the Laydown lease with ComEd on the Schmitt Property-Motion made by Alderman Wangelin to approve with a second by Chairman Kleckler. Will be moved on to City Council for approval. - Driveway Approaches-The Committee discussed that an ordinance will need to be created with the specifics of when the City is responsible for completing a Driveway Approach. Administrator Blackert will present a draft at the next meeting.	Send to Council-Laydown lease with ComEd on the Schmitt Property
Street	Larry Spinka updated the committee on: Currently the department is working on sweeping, painting, patching & moving limestone. There is one summer helper still	

	working. Will start October projects soon.	
Administrator Blackert	- Administrator Blackert updated the committee on: - Willett Hofmann surveyed the Limestone building sight and Terracon will do a soil sample for EPA. - Still working on the Micro Grant - The City will remove gravel for Culvers to help with their parking area that is having flooding issues.	
Committee Member Items	- Chairman Kleckler asked about Nicor Borings. The City should be reimbursed. - Chairman Kleckler said that IDOT has not posted very many signs for re-routing due to the construction on US route 30. Administrator Blackert will contact Civil Constructors that is working on the project and ask to post more signs.	
Adjournment	Meeting adjourned at 9:35 a.m.	

Chairman Kleckler
